Data Protection

Your privacy is important to us. Yorkshire Cancer Research and its associated companies will process your data in relation to its activities as a cancer research fundraising charity. We may, in future, contact you with newsletters, appeals and information about events and offers. If you would like us to stop processing your data, please tick here We do not sell supporter data to other organisations.

Notes

- If your declaration covers donations you make in the future:
 - Please notify Yorkshire Cancer Research if you change your name or address while the declaration is still in force by address or telephone 01423 501269
 - You can cancel the declaration at any time by notifying Yorkshire Cancer Research - it will then not apply to donations you make on or after the date of cancellation or such later date as you specify.
- You must pay an amount of income tax and/or capital gains tax at least equal to the tax that all Charities and CASCs reclaim on your donations in the tax year (currently 25p for each £1 you give). Council tax and VAT do not count.
- If in the future your circumstances change and you no longer pay tax on your income and capital gains equal to the tax that Yorkshire Cancer Research reclaims, you can cancel your declaration
- If you pay tax at the higher rate you can claim further tax relief in your Self Assessment tax return.
- If you are unsure whether your donations qualify for Gift Aid tax relief, please contact Yorkshire Cancer Research, or you can ask your local tax office.

If you pay Income Tax at the higher or additional rate and want to receive the additional tax relief due to you, you must include all your Gift Aid donations on your Self Assessment tax return or ask HM Revenue and Customs to adjust your tax code.
