Where will your donations go?

Yorkshire Cancer Research is Yorkshire's cancer charity, helping the people of Yorkshire avoid, survive and cope with cancer by funding world-class research.

- Our research helps save lives, prolong life and improve the quality of life of cancer patients in Yorkshire.
- Over 2,000 scientists and clinicians from around the world help us assess and monitor the quality of our research.
- We funded some of the early research that led to the development of Tamoxifen - a drug which has saved millions of lives around the world.

Cancer in Yorkshire

- 554 people are diagnosed with cancer in Yorkshire every week, and Yorkshire has below national average five-year survival rates for many of the most common cancers.
- Many cancers in Yorkshire are associated with our industrial past and cultural and socio-economic factors which can only be addressed through local research in the county.
- National charities and the government are reducing their investment in cancer research in Yorkshire despite clear evidence that cancer outcomes are best in regions that are research-rich.
- Your donations will help us fund research that focuses on the specific cancer problems in Yorkshire and contributes to the global fight against the disease.

You can give to any registered charity in the UK or any organisation recognised by HM Revenue & Customs as charitable.

However please note that under current law donations cannot be made through Payroll Giving/CAF Give As You Earn[®] to Community Amateur Sports Clubs (CASCs).

When completing your donation instruction, it would be very helpful to us if you can include a charity identification such as a Charity Commission number or Scottish charity number. Our website may help you with this www.cafonline.org/charitysearch

Some charities will need a Sponsorship Number to identify a specific area or campaign, please include this if you know it.

If you wish to give to a sub branch or specific region of the charity, please state this otherwise we will direct your donation to the charity's head office.

Donation types

With a regular giving donation you choose the charity(ies) you wish to support via tax free donations and this is deducted from your gross pay each pay day.

By choosing a permanent addition, your new instruction will be added to your existing records.

If requesting a permanent replacement, your existing records will be deleted and replaced with the information on this form.

With a one-off donation you can support charities via a tax-free donation deducted from your gross pay for one pay day only either in addition to your regular giving or as a single payment only.

By choosing to include your one-off donation with your existing instructions, your current regular giving will remain in place.

If requesting a replacement of your existing instructions for this period only, your current regular giving will be resumed on your next pay period.
