3. If you take a guaranteed Yorkshire Cancer Research place that states a minimum sponsorship amount is required, you agree that this involves pledging to raise a minimum amount in sponsorship and that the sponsorship money will be given to Yorkshire Cancer Research by a set deadline date.
4. You acknowledge that training for and participation in the event involves potentially strenuous physical activity and risk of personal injury. You confirm that, to the best of your knowledge, you are suitably healthy and fit to take part in the event. You will be taking part in and completing the event at your own risk. As an indication, we or our partners or contractors may include such images in advertising, marketing, newsletters, general events and communications.
6. YCR will contact you by telephone and email with reference to your application. We will keep you up to date about the event via regular emails and by phone. Occasionally we will write to you about the event and post to you anything we can't email.
7. You understand as part of the registration process we may need to pass your details to third party suppliers such as the chip timing company in order to run the event. This will normally only be your name and not contact details.
8. We regret that we are unable to refund the registration fee if the Event is subsequently cancelled. If you do not take part in the Event, any funds you have raised will be treated as donations unless your sponsors contact Yorkshire Cancer Research directly for a refund.
