

# EMPLOYEE PAYROLL GIVING

**Payroll Giving is one of the easiest, most tax-efficient ways to make a regular donation to charity.**

It provides tax relief at source which means your donation is deducted from your gross salary, tax free. So a £10 donation costs:

- **£8 at basic rate tax (20%)**
- **£6 at higher rate tax (40%)**
- **£5.50 at the 45% rate**

Donating each payday means your chosen charity knows how much you plan to donate and how often, which means it can then plan ahead to make sure your hard-earned donation is put to the best possible use. By donating to Yorkshire Cancer Research you are helping people of Yorkshire avoid, survive and cope with cancer.

To set up your donation, simply complete this Payroll Giving form and pass it to the department which handles your payroll.

If you have any questions please call Yorkshire Cancer Research on **01423 501 219** or email [info@ycr.org.uk](mailto:info@ycr.org.uk)
